WELCOME TO

THE NORDIC REGION'S ONLY & EXCLUSIVE EXPO ON POLICING, DEFENCE, HOMELAND SECURITY, FORENSIC, DRONE & ANTI – DRONE SYSTEMS AND MANY MORE

Following the remarkable success of the first edition, 2nd Homeland Security Expo – Sweden is back as the Leading International Event in the Nordic region, focusing on Homeland Security, Policing, Defence, Surveillance, Border Control and Counter-Terrorism Technologies & many more

Homeland Security Expo, Sweden is the only exhibition which is focused and an interactive platform where the Armed forces representatives of Nordic Regions and Homeland securty equipment and technology suppliers can meet their business opportunities related to internal security, defence, homeland security, Drones, Anti- Drones, Training, Protection and Rescue. Here participants can gather and exchange not just knowledge and world views, but also new technologies, solutions and future business partnerships

Homeland Security Expo not only highlights Sweden's commitment to enhancing its defence infrastructure but also emphasizes the Nordic region's role as a key player in the international defence landscape. By integrating state-of-the-art technology and fostering multinational partnerships, Sweden and its Nordic counterparts are better equipped to handle contemporary security challenges and contribute to global stability.

WHY NORDIC REGION / WHY EXHIBIT?

- Only and Exclusive Defence & Homeland Security Exhibition in Nordic Region
- Europe is once again experiencing war within its vicinity and states are drastically ramping up their defence expenditure. Sweden, with its proximity to the conflict, is responding with rapid decisions for increasing its defence expenditure.
- Sweden's Armed Forces are set to expand to 115,000 personnel by 2030, according to the Swedish Government.
- The Sweden defence budget is worth $13 billion in 2025, reflecting a 10% increase from 2024. Sweden Defence spending is set at 2.4% of GDP in 2025, with plans to rise to 2.6% by 2028.
- Swedish Government aims to raise defence spending to 3.5% of GDP by 2030, in line with anticipated NATO benchmarks.
- Sweden has a strong domestic defence industry, which offers several highly capable and successful platforms to foreign buyers.
- With world-class defence equipment, the Swedish defence industry is a key player in the international arena, as well as something one can count on in demanding times.
